

# Job Fair

Gift of Life Michigan is the state's federally designated organ and tissue recovery program, providing all services necessary for organ donation to occur in Michigan.

We are looking to expand our Upper Peninsula and Northern Michigan team!

**Thursday, Jan. 16, and Friday, Jan. 17, 2020**

Information table at Jamrich Hall, 1st floor commons area across from room 1100

**8:30 a.m. – 4:30 p.m.**

## Hospital Services Associate 1 position opening

Full-time

This position works closely with assigned hospitals and our clinical staff regarding organ and tissue donation.

Responsibilities include, but are not limited to, assisting hospitals in developing policies and procedures regarding organ/tissue donation. Educating nurses, physicians and other hospital personnel regarding organ/tissue donation, effectively interacting with hospital staff to develop and implement communication plans designed to heighten knowledge about and the participation in the referral and donation process; monitoring this process through the evaluation of referrals and record reviews, hospital plans, post donation/referral conferences; creating marketing plans for assigned hospitals, conducting death record reviews along with other assigned responsibilities.

## Tissue Procurement Specialist 4 position openings

Full-time

Tissue Procurement Specialist III (TPS)

Requires recovery of musculoskeletal, dermis, cardiovascular, and nerve tissue from deceased donors throughout the state, specifically in northern Michigan and the upper peninsula. Activities will include but are not limited to: review of medical records, physical examination of the donor, drawing blood, preparing the recovery site, preparing the donor for recovery, recovering tissue, maintaining a sterile environment, to include aseptic technique, and in-services at hospitals, funeral homes and medical examiners.

For more information on these opportunities and Gift of Life, visit  
[golm.org/about-us/careers](http://golm.org/about-us/careers)

You do not need to be a resident of Marquette to be considered.  
We will offer on-the-spot interviews while there.

We honor life through donation.<sup>SM</sup>
